Clipboard	1			12" ruler inches/metric	1
				Soprano recorder, YRS20b-24b	1

We understand that buying school supplies for one or more children can be very costly. If you choose to buy name brand supplies, teachers have a few recommendations: **Crayola for Crayons** (no wax buildup), **Crayola Twistables** colored pencils (better color no sharpening), **Crayola Markers** (thick easier to hold), **Ticonderoga Pencils** (for better sharpening & sturdy), **Elmer's Glue** (easy to use), **Fiskar Scissors** (easy cutting all paper, **Ziploc Bags** (durable and seals better). ***Individual Emergency Kits- PTA will sell pre-made kits in the fall for approximately \$6.00 or you can make your own.

INDIVIDUAL EMERGENCY KIT

Orting School District is prepared to keep your child safe and cared for in all situations. Earthquakes are a natural occurrence in the Puget Sound area. Most earthquakes are very small. If there is an earthquake large enough to cause damage to buildings or roadways, children will not be sent home in the middle of the day. Students will remain at school, where they will be cared for until parents arrive to pick them up. To be prepared for an event such as this, we request that you provide a personal earthquake kit for your child. Kits may be purchased from the Orting Combined PTA for approximately \$6.00 at the beginning of each school year. Items in the PTA kit include: 1 can tuna or pork & beans, 2 cracker & cheese packets, 1 juice box, 2 lg. trash bags, 1 pudding cup, 2 fruit snacks, 3 spoons, 2 granola bars, 1 sm. bottle of water, and 3 napkins. You may also choose to create your own kit by placing the following items in a **gallon size zip-top bag** labeled with your child's name.

- **One bottle of juice or water**
- **Six individually wrapped nutritious snacks** (that do not require refrigeration). Some examples are: Crackers and cheese, jerky/peperoni stick, applesauce/fruit cup, and protein bar/breakfast bar.
- **Two large trash bags** (these may be used as raincoats if needed)

Optional items to be added to PTA or homemade kits:

- A picture of your child's family
- A small, reassuring note to your child
- A small pack of tissues
- Small toys/games (examples are: few pages from a coloring book and crayons, a small doll or car, deck of cards, etc.)
- A few band aids
- A small bottle of hand sanitizer
