**PLEASE REMEMBER EACH NEIGHBORHOOD
CAN BE VERY DIFFERENT. IF THE PLOW/SAND
TRUCKS HAVE BEEN ON YOUR ROAD THE BUS
CAN MAKE IT THROUGH. IF NOT, PLEASE MAKE
SURE YOU FOLLOW YOUR EMERGENCY ROUTE.
THANK YOU.**

***** In bad weather please listen to the Radio or Television. Do not call the school district.
Check the webpage @ www.orting.wednet.edu for news.
Be prepared for unexpected weather conditions! Plan Ahead!! Have a plan with your child.**

**Safety is our #1 concern, have your student dress warmly waiting for the bus, the bus
could be running late on bad weather days.**

***** In some cases if the weather is scheduled to be bad during the school day
it may be possible that the school will release early in order to get your student home
safely. Please think ahead and make plans with your child so they know what
their expectations are when they arrive home.
If you live on a hill and you think the bus will not make it up, please meet the bus at the
bottom of hill. If we cannot deliver them safely they will be returned to the school.**
